

Religion Course Rotation

Note - this is an "ideal" rotation.

The actual offering of courses in each semester may vary slightly, depending on the availability of faculty and the numbers of students.

Classes which do not have sufficient enrollment may be cancelled.

Every effort will be made to ensure that students have a good selection of courses to choose from each semester.

C = Class-room based

W = Web-based or Online

C/W = alternating Class-room based and Web-based
